

**WATER SAMPLE COLLECTION**

Receipt # \_\_\_\_\_

DATE PAID: \_\_\_\_\_

The fee for collection of a water sample is **70.00**. If laboratory results show the water is of unsatisfactory bacteriological quality and an additional sample must be collected the fee of **70.00** shall be paid before another sample is collected. It is the applicant's responsibility to assure all animals are restrained and/or if a well has been chlorinated the water is free of chlorine. If we make a trip to any location to collect water sample and are unable to collect it there will be a "trip" charge of **\$40.00** for any additional attempts to collect.
