at 6:30 p.m.

**September 9th**

Puckett  
Elementary School  
6700 Oakhurst  
at 6:30 p.m.

The City of Amarillo is developing a new Comprehensive Plan that will define the future form, function, and character of Amarillo. The plan is a collection of the community's visions and goals that will guide development decisions for today and tomorrow. The process involves asking for your opinion to help Amarillo prepare for the future. Help establish community priorities for growth, economic development and quality of life.
