

City of Amarillo – Pharmacy Plan

If you enroll in the medical plan, you will automatically receive prescription drug coverage through Maxor.

- **You will use your Aetna medical insurance card for pharmacy benefits at any participating pharmacy.**

Generic medications have the same active ingredients, safety, dosage, quality and strength as their brand-name counterparts. You will typically pay less for generic medications under a three-tier plan.

Preferred brand medications will typically cost you more than generic, but may cost you less than a non-preferred brand on a three-tier plan.

Non-preferred brand medications generally have generic alternatives and/or one or more preferred brand options within the same drug class. You will typically pay more for non-preferred medications on a three-tier plan.

Category	30 Day Supply	90 Day Supply <i>Only available through Maxor/Wal-Mart/Sam's</i>
