

MOBILITY FOR EVERYONE

WE WANT TO HEAR FROM STAKEHOLDERS!

Amarillo City Transit is developing a **Coordinated Public Transit Human Services Transit Plan** to improve transportation for:

- Individuals with low incomes
- Seniors
- Individuals with disabilities

This federally required plan identifies unmet needs and improves coordination between transit providers and service agencies.

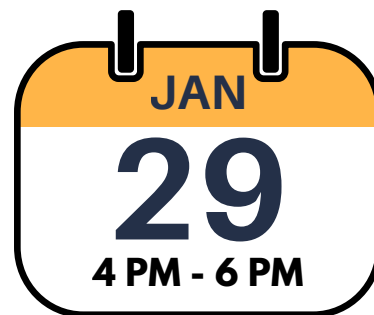

Why It Matters

- Expands access to jobs, education, and medical care
- Improves mobility for vulnerable residents
- Supports funding decisions and agency collaboration

How You Can Participate

- Attend a scheduled stakeholder meeting
- Provide Feedback
- Spread the word to those who would benefit from this conversation
