<i>Tuberculosis (TB)</i>						
TB Disease					4	4
TB Infection ^A					50	85

Table Footnotes

**Data are provisional and subject to change.*

***Hemolytic Uremic Syndrome (HUS) is a complication of STEC infections. Not all patients with STEC will have HUS.*

****Includes any cases tested at facilities outside of Potter or Randall county, but where the patient's residence is in Potter or Randall county.*

^Started on latent TB therapy at Amarillo Public Health.
