

NOFO Selection Process

HUD will select projects in this sequence:

HUD will select projects in this sequence:

1. CoC Planning and UFA Costs
2. All Tier 1 projects that pass eligibility thresholds.
3. DV Bonus projects. If less than \$104,000,000 in DV Bonus project funding has been selected via steps 1–2, HUD will continue down the ranked list by project score and fund additional DV Bonus projects until \$104,000,000 is reached. This does not include DV Reallocation or the renewal of projects originally funded under the DV Bonus.
4. Permanent Housing for families with children. If less than \$430,000,000 has been selected via steps 1–3, HUD will continue down the ranked list by project score and fund additional permanent housing projects that serve families with children until \$430,000,000 is reached.
5. New TH and SSO projects in Tier 2. HUD will select projects by score until the total new TH/SSO projects funding equals \$1,300,000,000.
6. All other new projects in Tier 2. HUD will continue selecting by project score until all new projects combined reach \$1,300,000,000.
7. All other projects in Tier 2. HUD will remove all remaining unselected new projects, recalculate Tier 2 scores, and continue selecting projects.
