Benefits Overview

When Coverage Begins:

Regular, full-time employees working 40 hours per week are eligible to enroll themselves and their eligible dependents in the medical (including prescription drug coverage), dental, vision, optional life insurance and long-term disability plans effective on their **first day of employment**.

Employees who change from part-time to full-time status and meet the eligibility requirements will also become eligible to enroll in these benefit plans on their **status change effective date**.

You have **31 calendar days** from your effective date of coverage to make your elections. If there is a delay in making your insurance elections, you will be responsible for paying insurance premiums back to the effective date of coverage; therefore, it is important to enroll as soon as possible so there are no premiums in arrears due on a future paycheck.

Eligible dependents may include:

- **Legal Spouse** – (legally married includes opposite and same sex).
- **Texas Common Law Spouse** – (includes opposite and same sex).
- **Children up to the age of 26**, defined as your natural children, stepchildren, legally adopted children, foster children, children for whom you are the court-appointed guardian, physically or mentally disabled children of any age who are incapable of self-support where proof of disability is required or grandchildren in your court-ordered custody.

Documentation Required to Add Eligible Dependents to Benefit Plans

Employees may enroll eligible dependents in the City of Amarillo's medical (including prescription drug coverage), dental, vision, and legal spouse and/or children optional life insurance plans, subject to the eligibility requirements of each plan. Eligible dependents generally include a legal spouse and dependent children up to 26 years of age. This applies to new hires, status changes from part-time to full-time, mid-year qualifying life event (QLE) changes, and Open Enrollment. Examples of qualifying life events (QLEs) include marriage, birth, adoption, divorce, loss or gain of other coverage, and certain court-ordered changes.

If adding eligible dependents, dependent documentation must be provided within 31 calendar days from the event date when submitting in Workday. Failure to turn in the required documentation by this deadline will result in no coverage for the eligible dependent(s). There will be no exceptions made for failure to turn in the required documentation by the 31-calendar day deadline. Missing an enrollment deadline for a QLE means waiting until the next Open Enrollment period with a January 1st effective date.

Provided below is the required dependent documentation:

Legal Spouse (Opposite or Same Sex)	Marriage certificate/license; spouse's birth certificate; Social Security card.
Texas Common Law Spouse (Opposite or Same Sex)	Declaration of Informal Marriage or other City-accepted proof; birth certificate; Social Security card.
Biological child	Birth certificate naming the employee as parent; Social Security card.
Stepchild	Birth certificate naming the employee's spouse as parent; employee's marriage certificate/license; child's Social Security card.
Adopted Child / Child Placed for Adoption	Adoption decree or placement documents; birth certificate and Social Security card when available.
Grandchild / Child Under Guardianship	Birth certificate; Social Security card; court-issued guardianship or other legal documentation. Coverage depends on plan eligibility.

Newborns

Enroll the newborn in Workday **within 31-calendar days** from the date they are born and provide the dependent documentation noted above. A hospital certificate will not be accepted. Note: Birth certificates for children born in the State of Texas can be obtained from the Vital Statistics Department in City Hall. Birth certificates for newborns are not mailed out to the parents automatically; they must be requested with the Vital Statistics Department, and it takes up to a week from date of birth for the document to be available.

Benefit Changes – Qualifying Life Event (QLE)/Open Enrollment:

Qualifying Life Event

To make changes to your benefit elections you must make those changes, including providing the required dependent documentation, **within 31 calendar days from the effective date of the qualifying life event**. Failure to do so within the 31 calendar days will result in no coverage and a delay in enrollment until the next Open Enrollment period with a January 1st effective date.

Some examples of Qualifying Life Events include:

- **Changes in Household** – Having a baby or adopting a child, getting married or divorced, court-ordered dependent changes or a death of a family member.
- **Loss of Health Coverage** – Losing existing health coverage, losing eligibility for Medicare, Medicaid or CHIP, or turning 26 and losing coverage through a parent's plan.
- **Gain of Health Coverage** – Gaining eligibility for health coverage through a spouse's employer, a new employer, Medicare, Medicaid, CHIP, or another qualifying source of coverage.
- **Other Qualifying Changes** – Changes in employment status or work hours that affect benefit eligibility, or other events that result in a change in eligibility for benefits.

Employees are responsible for reporting qualifying life events and completing the required benefit changes and submitting documentation within the 31-calendar-day timeframe.

Open Enrollment

Open Enrollment is held at the end of October/beginning of November each year and the Human Resources Department will communicate what changes can be made during Open Enrollment. Open Enrollment changes are effective January 1st of the following calendar year.

Note: When requesting to add eligible dependent(s) to the insurance plans, benefit changes **will not** be processed without the required dependent documentation by the established deadlines. Qualifying life events must be submitted with the required dependent documentation within **31 calendar days from the event date** and requests made during Open Enrollment by the **imposed Open Enrollment deadline**. No exceptions will be made for failure to submit the request and/or required dependent documentation by the required deadlines.

Medical Plans

The City's medical plans are **Exclusive Provider Organization (EPO) plans through Aetna.** The plans provide access to a broad network of in-network providers and facilities. **Except for certain emergency situations, services received from out-of-network providers and facilities are not covered by the medical plan.**

Local Amarillo Network:
In the Amarillo area, **Northwest Texas Hospital and its affiliated facilities** are in-network under the medical plan. Services provided at **BSA Hospital and its facilities are out-of-network and are not covered** under the medical plan, except where required for emergency care.

Nationwide Network:
Outside the local Amarillo area, you have access to Aetna's nationwide network of in-network providers and facilities. This allows you to seek care from participating providers and facilities when traveling or receiving care outside the Amarillo area.

Finding In-Network Providers and Facilities:
You can locate in-network providers and facilities at **www.Aetna.com** or through the Aetna Health App. To download the app, text **AETNA** to 90156.

First time users must create and register an account through the Aetna website or app. Once registered, you can search for in-network providers and facilities locally or nationwide. You must be logged into your Aetna account when searching for in-network providers and facilities.

Aetna Customer Service representatives are also available to assist with provider and facility searches. Aetna's customer service number is located on your Aetna member ID card.

Aetna Medical ID Card
New employees will receive an Aetna medical ID card at their home address on file. The medical card includes prescription information on the back of the card. Replacement cards can be requested by contacting Aetna customer service.

100% Covered Medical Services - Both Medical Plans

If you are enrolled in either medical plan, certain medical services are covered at 100% **when plan requirements are met**. This means you and your enrolled family members may receive these services with **no out-of-pocket cost** when using an in-network provider or facility, as applicable.

Preventative Care Screenings: Certain preventative care services and screenings are covered at 100%. Contact Aetna Customer Service for more information on preventative care services that are available under the medical plan.

In-Network Urgent Care Clinic Visits:
Urgent care clinic visits are covered 100% when using an in-network urgent care facility. Coverage is subject to the visit being for an urgent medical condition as defined by the medical plan. If the services are determined to be non-urgent or more appropriate for routine or primary care, the visit may be subject to applicable plan cost-sharing or may not be covered at 100%.

Dental Information

- **Dental Cards** – A dental card will be mailed to your home address on file with the City. The employee's social security number can be presented to the dental provider for verification of benefits if no dental card is in your possession at time of service.
- **Delta Dental App** – Download the Delta Dental App and you can check plan details, browse claim history, get a cost estimate, find an in-network dentist, and view your member ID card or save it to your digital wallet.
- **Delta Dental Networks** – You will receive the largest discount on dental services by using a Delta Dental PPO dentist. Enrollees also have access to Delta Dental Premier network dentists, but at a lesser discount. Provided below are the differences between using an in-network vs. out-of-network provider.
    - Delta Dental PPO Network - Find a dentist at **www.deltadentalins.com**, scroll down the page and locate **Find a Dentist**, and enter **Location** (required). You can search by just **Location** or by **Dentist or Office Name**. **Select a Network** and choose from the drop-down **Delta Dental PPO** then select **Find a Dentist**.
    - Delta Dental Premier Network - If your current dentist is not part of the PPO network or you want to expand your search further, consider a Delta Dental Premier dentist. Follow the same steps above but select **Delta Dental Premier** as the network.

  PPO and Premier providers are considered in-network, both network providers file the claim to Delta Dental, and there is no balance billing. In terms of coverage, benefits and co-insurance remain the same regardless of the provider the member decides to visit.

Delta Dental Networks (Continued)

- Out-of-Network (Non-Delta Dental Providers) – Delta Dental does not have negotiated fee agreements with out-of-network providers, so your out-of-pocket costs may be higher than when using a Delta Dental network provider.

If the provider does not accept direct payment, you may be required to pay the full cost of services at time of treatment and submit a claim to Delta Dental for reimbursement. Claim forms are available when you log in to your account at **www.deltadentalins.com.**

- **Virtual Dentistry** – You can schedule live video visits with an in-network dentist or submit photos to receive a personalized treatment recommendation within 24 hours. Get started at **www1.deltadentalins.com/members/virtual-dentistry.html**.

Life Insurance

The Standard Insurance Company "The Standard" is the vendor for our life insurance plans. On date of hire or on the status change date from a part-time to full-time position, employees are automatically enrolled in the $10,000 Employee Basic Life Insurance and Accidental Death & Dismemberment (AD&D) benefit that is paid **100% by the** City. Additional Life Insurance is available for yourself, your legal spouse and/or dependent children (through 25 years of age). These premiums are paid by the employee and deducted from your paycheck on a post-tax basis. Information is provided below regarding the insurance plans available to you.

Type of Coverage	Coverage
Employee	**Employee Basic & Additional Life Insurance** ○ $10,000 Basic Life Insurance with AD&D – **EMPLOYER PAID** ○ Additional Life Insurance with AD&D – **EMPLOYEE PAID (POST-TAX)** ○ $10,000 up to $500,000 (in $10,000 increments) ○ Additional Employee Life Insurance cannot exceed 8 times your Base Annual Earnings (rounded down to the next $10,000 of coverage). Example: $34,000 x 8 = $272,000. Rounded down to next $10,000, maximum coverage allowed is $270,000. ○ Premiums elected will be based on your age as of January 1st of the current calendar year. ○ No Evidence of Insurability (EOI) is required for amounts elected up to $250,000. If eligible, and electing coverage above $250,000, you will need to complete EOI. You will then pay premiums on the $250,000 beginning with your date of hire or status change date. Note, if you are a late entrant, EOI is required for any amount. Evidence of Insurability (EOI) Information ▪ **What is EOI?** Evidence of Insurability is documented proof of good health. An employee begins the EOI and medical underwriting process by submitting a Medical History Statement. This, along with other information obtained during the underwriting evaluation, is used by the Standard to make the underwriting determination. ▪ **How do I apply for EOI?** You will receive an invitation to apply from the Standard. The invitation will be sent to your work email address and will include a secure online link and login instructions. If a work email address is not available, you will be mailed an invitation to your home address. ▪ **What information do I need to complete my EOI?** 1. Before starting the application, make sure you have recent diagnoses, physician and treatment details accessible. 2. Personal demographic information 3. Group Name (City of Amarillo) and Policy Number (646089). 4. The amount above the guaranteed amount of $250,000 is what you will be requesting for approval. For example, you elected $300,000, $50,000 is the amount to be provided in your EOI application. ○ The deadline to submit EOI is 31 calendar days from your date of hire or status change date. ○ The Standard Insurance Company may request additional medical, testing, bloodwork, etc., during the EOI process. Each EOI is reviewed on an individual basis, and the medical underwriters would request additional information if needed. The Standard will pay for additional testing if required. ○ Notification of your approval or denial of EOI will be provided by the Standard both to the employee and the Human Resources Department. If approved, your premiums will increase based on the amount approved and in the pay period that covers the approval date.

Legal Spouse	**Spouse Additional Life Insurance**
	• Additional Life Insurance with AD&D – **EMPLOYEE PAID (POST-TAX)**
	  ○ $10,000 up to $50,000 (in $10,000 increments)
	  ○ No EOI is required for any amounts elected.
	  The total combined coverage that includes your employer paid Basic Life Insurance coverage of $10,000 and Employee Additional Life Insurance must be equal to or greater than your spouse's coverage.

Dependent Children	**Dependent Children Additional Life Insurance**
	• Additional Life Insurance – **EMPLOYEE PAID (POST-TAX)**
	  ○ $10,000 policy for each eligible child at a bi-weekly premium of .46 cents.
	  ○ No EOI is required.
	  ○ Dependent children are covered through 25 years of age.

Additional Life Insurance Employee Age Bracket and Employee/Spouse Age Reduction Changes

Any changes to your premiums and/or coverage levels at the beginning of each calendar year based on age bracket changes or age reductions at age 70 or 75 from the previous calendar year (January 1 through December 31st) will be updated automatically in Workday. These changes will be reflected in the first paycheck received in January. For example, your age as of January 1st of the current year is 54 years of age. You turn 55 years of age in the current calendar year, which causes you to go to the next age bracket of 55-59 years of age. Your insurance premium will then increase the following year based on your age bracket change. If you or your spouse turns 70 or 75 years of age in the previous calendar year, your coverage level and premiums will change in the following calendar year.

Updating Life Insurance Beneficiaries

You can update your life insurance beneficiaries anytime throughout the year through Workday. Instructions for Creating New or Existing Beneficiaries in Workday can be found at cityofamarillo/handbook, click on Employee Benefits, under Life Insurance.

Voluntary Long-Term Disability (LTD)

The Standard Insurance Company "The Standard" is the vendor for the voluntary LTD plan. This is an employee paid post-tax benefit, and it offers income replacement if you are continuously disabled for 90 consecutive days or longer.

A summary of this benefit is provided below:

- **Continuously Disabled for 90 Consecutive Days -** Before you become eligible to receive a monthly benefit.
- **If Approved for LTD** - You will receive 60% of your eligible earnings, up to a maximum benefit of $12,500 per month.
- For a continuous disability, your benefits may last until your Social Security Normal Retirement Age depending on your age at time of disability. If you become disabled before age 62, LTD benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years, 6 months, which is longer. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins.
- **Deductible** Income - Your benefits will be reduced if you have deductible income, which is income you receive or are eligible to receive while receiving LTD benefits. Some examples of deductible income include sick or annual leave pay and/or benefits being received under workers' compensation.
- If you enroll in the voluntary long-term disability benefit at time of hire or status change to full-time, your first premium deduction will be reflected on your first paycheck or the paycheck that covers your status change effective date.

- If you feel that you may have a qualifying disability where you will be out more than 90 consecutive calendar days, it is suggested that you begin the disability claim process after 30 days of your disability. Contact the Human Resources Department for any questions about this benefit.
- Changes to your premiums due to age bracket changes from the previous calendar year (January 1st through December 31st) will be updated automatically in Workday. These changes will be reflected in the first paycheck received in January. Your LTD premiums will then increase the following year based on your age bracket change.

Flexible Spending Accounts (FSA)

Inspira Financial is the vendor for Flexible Spending Accounts for Health Care and Dependent Care. With an FSA, you set aside pretax earnings to pay for eligible health and dependent care expenses. That adds purchasing power because the money you would have paid in taxes is available for you to spend. You can enroll in one or both FSA plans. A list of eligible expenses can be found on the **inspirafinancial.com** website.

What is a Health Care Flexible Spending Account (HCFSA)?
Eligible health care expenses include copays, coinsurance, and deductibles; dental and vision expenses; prescriptions and over-the-counter health care supplies from select retailers for yourself, your legal spouse, and eligible children.

A Debit Card will be automatically mailed to new enrollees in the HCFSA plan only and can be presented at point of sale in place of submitting a claim.

How much can I contribute to my HCFSA?
The minimum you can contribute is $100 and maximum is $3,400.

What is a Dependent Care Flexible Spending Account (DCFSA)?
Pay for eligible child and adult care expenses, such as day care, preschool and nursery school, in-home aid, and more. Funds are for your dependent(s) age 12 or younger or a spouse or dependent incapable of self-care. You must be working or looking for work to use your dependent care funds. If you're married, your legal spouse must either be working, looking for work, or a full-time student.

How much can I contribute to my DCFSA?
The minimum you can contribute is $100. Your contribution maximum limit is determined by your tax filing status. Married Filing Separately is $3,750 and Single, Head of Household, or if Married Filing Jointly is $7,500.

Does a DCFSA impact the tax credit on my income tax return?
You cannot claim a tax credit for amounts contributed to your DCFSA. However, you may be able to claim a tax credit for amounts, up to IRS limits, not contributed to your DCFSA.

How do I submit claims and get reimbursed?
- HCFSA – As you incur expenses, you can submit a claim to be reimbursed. FSA monies elected under this Plan are available when you first become eligible for benefits or at the beginning of the calendar year following your Open Enrollment election.
- DCFSA – Your funds are available as you contribute throughout the year via payroll deduct into your account.

Under both FSA Plans there are several easy ways to submit claims. You do not have to choose only one option; you can use multiple options throughout the year:

- **Inspira Debit Card for Health Care FSA**
  Use your Inspira Debit Card for a health care expense and it will be paid automatically from your FSA account. Save receipts and explanation of benefits (EOB) in case you need to substantiate a purchase.
    - Keeping your Debit Card Active – The IRS requires Inspira to verify that debit card purchases are eligible expenses so you may need to provide documentation for a card purchase. Keep copies of detailed receipts or explanations of benefits (EOBs) in case verification is required.
    - Email Notifications - Sign up to receive email notifications so you will know right away when documentation is needed. Log into the Inspira website, click your name in the top right and select communication settings.
    - Ways to Submit Documentation – Log into the Inspira website. Go to My Claims, then Claim Activity and click Add Receipt.
- **Inspira Mobile App** – Download the App and log into your account. Then, just snap a picture of your itemized receipt and submit a claim via the App. You can also access your balance and account statement. This is the easiest way to manage your account and view alerts, submit claims, and use the barcode scanner to verify eligible items in-store.
- **Inspira Online** – Sign into your online account to submit a claim. Go to **inspirafinaancial.com** to see your account statement and balance, submit claims, sign up for email, text alerts and direct deposit.

Reimbursements will generally be made to you within three business days following receipt of a complete claim. Log into your **inspirafinancial.com** account to sign up for direct deposit reimbursement to a bank account of your choice.

Grace Period
There is a grace period allowed under both FSA Plans. The grace period lets you spend or use remaining funds from the prior calendar year on new eligible expenses. The run-out period lets you file claims from the previous year. You must file your claims (even those from the grace period) by the end of the run-out period (e.g., March 31st).

Example (Calendar Year Plan):
- **Plan Year:** Jan 1 - Dec 31.
- **Grace Period:** Jan 1 - Mar 15 (for new spending).
- **Run-Out Period:** Jan 1 - Mar 31 (to submit claims for Dec 31 or earlier spending).

Pension Benefits

Texas Municipal Retirement System (TMRS)

The Texas Municipal Retirement System (TMRS) is a retirement pension program for eligible City employees, including civilian employees and police officers. Eligible employees are automatically enrolled in TMRS when they are hired or when they become eligible due to a change in employment status.

Employees contribute **7% of their gross compensation** each pay period on a pre-tax basis and your employer will make a 19.82% matching contribution. Employee contributions are required and cannot be stopped while employed in an eligible position.

Vesting and Service Credit
Employees become vested with TMRS when you accrue five total years of service credit. You earn one month of service credit for each month you make a required contribution while employed in an eligible position.

If you leave TMRS-covered employment:

- **Vested members**: You may leave your deposits, including employee contributions and employer matching contributions with TMRS. Your account will continue to earn annual interest credits until you retire.
- **Non-Vested Members**: You may leave your employee contributions with TMRS up to five years, and they will continue to earn annual interest credits during that time.

Service Credit

Service credit from other statewide retirement systems or eligible governmental entities (includes active military duty service) may also count toward your TMRS retirement eligibility. Combining service credit may allow you to qualify for retirement sooner. Contact TMRS for more information about prior service credit.

Retirement Eligibility

To qualify for a TMRS pension annuity, you must meet one of the following requirements:

- 20 years of service credit at any age;
- Age 60 with at least five years of service credit; or
- Approval for disability retirement through TMRS.

Your TMRS Account

TMRS will mail an information packet to your home address on file. You will need to establish your TMRS account online at **www.tmrs.com** or through the TMRS App and designate your beneficiaries.

Be sure to keep your name, address and beneficiary information up to date with TMRS. Once you have five years of service credit, TMRS will require you to update your beneficiary information.

Planning for Retirement

If you are planning to retire, we recommend scheduling an appointment with the Human Resources Department **within 30 days of your planned retirement date** to review the retirement process and required steps.

To be eligible to retire and receive a pension annuity you must meet the following eligibility requirements. You must have at least 20 years of service at any age or be at least 60 years of age with 5 years of service or receive approval for disability retirement through TMRS.

Amarillo Fireman Relief and Retirement Fund (AFRRF)

Under the Texas Local Fire Fighters Retirement Act (TLFFRA), City of Amarillo Firefighters are provided with a retirement benefit. As provided under TLFFRA, all firefighters must be less than 36 years of age upon entering service for the City as a firefighter and must become members of the Plan. This Plan provides pension, death, and disability benefits. This Plan covers current and former firefighters, as well as beneficiaries of current and former firefighters. Active Employees – Considering Future Retirement

Via Benefits through Towers Watson offers a free service to help employees plan for retirement and understand health insurance options during retirement, including Medicare. For more information, call Via Benefits Customer Service at 1-855-803-2540, M-F, 7am to 8pm CST or by visiting their website at **https://my.viabenefits.com/discover/**.

Future Retiree Benefits

To be eligible to receive these benefits you must be enrolled in the medical and/or dental plans on the day you retire and have at least 20 years of service at any age or be at least 60 years of age or older with at least 10 years of service or received approval for disability retirement through TMRS or AFRRF.

Pre-65 Retiree Medical/Dental

You must be enrolled in the City's medical and/or dental plans at the time of retirement to be eligible for this benefit. Only dependents (legal spouse and eligible children) enrolled in these plans prior to retirement are eligible to enroll in the pre-65 medical/dental plans. If an employee retires and elects the pre-65 medical/dental plans there will be no lapse in coverage moving from the active to the pre-65 medical/dental plans. Retiree medical premiums are based on your full years of service with the City of Amarillo (i.e., you have 12 years and 6 months of service at time of retirement, your premium will be based on 12 years of service). Your pre-65 medical (includes prescription) and dental benefits will end the last day of the month prior to the month you turn 65 years of age. The only exception is if your birthday falls on the 1st of the month, Medicare then begins the 1st of the previous month you turn 65 years of age (i.e., July 1st birthday, Medicare begins June 1st). Once the retiree or retiree spouse turns 65 years of age, they will transition to enrollment in Medicare and be eligible to participate in the post-65 retiree benefit offered through VIA Benefits. The children will automatically be dropped from coverage at the end of the month when the retiree or spouse turns 65 or when the child turns 26 years of age (whichever comes first).

Health Reimbursement Account (HRA) Sick Leave Benefit

At time of retirement, Civilian, Police Officers, and 8-hour Firefighters will be allowed to convert any available sick leave, above 90 days of sick leave (720 hours) paid at retirement into a Health Reimbursement Account (HRA). Each 30 hours of accrued sick leave above 90 days will be converted to the equivalent of one month of retiree only Medical Plan 1 coverage based on years of service with the City of Amarillo. The resulting dollar value will be deposited into the retiree's HRA. 12-hour Firefighters who retire will be allowed to convert any available sick leave, above the 90 days (1080 hours) paid at retirement into an HRA. Each 42 hours of accrued sick leave above 90 days will be converted to the equivalent of one month of retiree only Medical Plan 1 coverage based on years of service with the City of Amarillo. The resulting dollar value will be deposited into the retiree's HRA.

Retiree/Spouse Life Insurance

Retirees are eligible to elect a $5,000 or $10,000 life insurance policy on themselves at time of retirement. A retiree spouse life insurance policy is available in the amount of $5,000 only if the retiree elects the $10,000 policy for themselves. If you enroll in the retiree life insurance, you can still convert your active life insurance into a whole life insurance policy. If the retiree chooses not to enroll in the retiree life insurance, the retiree can port their life insurance to a term life insurance policy. When converting or porting your active life insurance, you must contact the life insurance provider within 31 calendar days from the date of retirement.

Medicare Part D Creditable Coverage Notice

Important Notice from the City of Amarillo About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of Amarillo (the "Plan Sponsor") and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. **Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
2. **The City of Amarillo has determined that the prescription drug coverage offered by the City of Amarillo Group Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join A Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current City of Amarillo coverage will be affected. If you do decide to join a Medicare drug plan and drop your current City of Amarillo coverage, be aware that you and your dependents will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with the City and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage…
Contact the person listed on the following page for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of Amarillo changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage…

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit **www.medicare.gov**.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at **www.socialsecurity.gov**, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. General Notice of COBRA Continuation Coverage Rights

Continuation Coverage Rights under COBRA

Introduction

You are receiving this notice because you have recently become covered under a City of Amarillo group health plan (the Plan). This notice explains your rights to COBRA continuation coverage, a temporary continuation of group health coverage that may be available when coverage would otherwise end. It also explains actions you and your family must take to protect those rights. Other coverage options, including Health Insurance Marketplace coverage, may cost less than COBRA.

The City of Amarillo is a governmental employer. Its group health plans are subject to the public-sector COBRA continuation coverage provisions of the federal Public Health Service Act. For additional information about your rights and responsibilities, consult the applicable City plan documents or contact the City Human Resources Department.

What Is COBRA Continuation Coverage?

COBRA continuation coverage allows qualified beneficiaries to continue Plan coverage after a qualifying event causes a loss of coverage. Each covered employee, covered spouse, and covered dependent child who meets the applicable requirements may have an independent right to elect COBRA. Qualified beneficiaries generally must pay the applicable COBRA premiums.

For a covered employee, qualifying events include termination of employment (including retirement) for reasons other than gross misconduct, or a reduction in hours of employment, if the event causes a loss of Plan coverage.

For a covered spouse, qualifying events that cause loss of coverage include:

- Death of the covered employee;
- Termination of the covered employee's employment (other than for gross misconduct) or reduction in hours;
- The covered employee becoming entitled to Medicare (Part A, Part B, or both);
- Divorce or legal separation from the covered employee.

For a covered dependent child, qualifying events that cause loss of coverage include:

- Death of the covered employee;
- Termination of the covered employee's employment (other than for gross misconduct) or reduction in hours;
- The covered employee becoming entitled to Medicare (Part A, Part B, or both);
- Divorce or legal separation of the covered employee and spouse;
- Loss of eligibility as a dependent child under the Plan.

Who Must Report a Qualifying Event?

The City is responsible for notifying its COBRA administrator, COBRA administrator, of employment termination, reduction in hours, death of the employee, or the employee's Medicare entitlement, as applicable.

For divorce, legal separation, or a dependent child's loss of eligibility, the covered employee or qualified beneficiary must notify the City of Amarillo Human Resources Department in writing within 60 days after the later of the qualifying event or the date Plan coverage would otherwise be lost because of that event. Include the employee's name, affected individual's name, the event and date, current contact information, and supporting documentation (such as a divorce decree or other eligibility documentation). Submit notice to benefits@amarillo.gov or contact the Human Resources Department at 806-378-4235 for an approved submission method. Do not assume that a change reported only through Workday constitutes COBRA qualifying-event notice.

Timely notice is important. Failure to provide required notice may result in loss of COBRA rights. Keep copies of all notices and documentation submitted.

How Is COBRA Offered and Elected?

After a qualifying event has been reported, COBRA administrator will provide the applicable COBRA election information to qualified beneficiaries. Each qualified beneficiary has an independent right to elect COBRA. A covered employee may elect on behalf of a spouse, and a parent or legal guardian may elect on behalf of a dependent child.

Qualified beneficiaries will have at least 60 days to elect COBRA, measured from the later of the date coverage would otherwise be lost or the date the COBRA election notice is provided. If COBRA is elected on time and required premiums are paid, coverage generally is retroactive to the date coverage otherwise ended. Follow the election notice from COBRA administrator for election instructions, deadlines, premium amounts, and payment procedures.

How Long Does COBRA Last?

COBRA generally lasts up to 18 months after termination of employment or reduction in hours. Certain other qualifying events—including death, divorce or legal separation, Medicare entitlement, or a dependent child's loss of eligibility—may provide a spouse or dependent child up to 36 months of continuation coverage. Special rules may apply if the employee became entitled to Medicare before a later termination or reduction in hours.

Disability Extension

If a qualified beneficiary is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage, the 18-month period may be extended by up to 11 months, to a maximum of 29 months, for eligible qualified beneficiaries. The disability determination must be reported to the COBRA administrator within 60 days after the determination is issued and before the end of the original 18-month COBRA period. Contact COBRA administrator promptly for the required notice procedure and documentation. If Social Security later determines that the individual is no longer disabled, the COBRA administrator must generally be notified within 30 days of that determination. Additional premiums may apply during the extension.

Second Qualifying Event Extension

If a second qualifying event occurs during an initial 18-month COBRA period, a spouse or dependent child may be eligible for up to 36 months total coverage measured from the first qualifying event. The second event must be one that would have caused a loss of coverage if the first event had not occurred. Examples include the employee's death, divorce or legal separation, Medicare entitlement, or a dependent child's loss of eligibility. Notify the City Human Resources Department in writing within 60 days after the later of the second event or the date coverage would otherwise have been lost because of that event; provide supporting documentation. Contact the Human Resources Department or COBRA administrator promptly to confirm applicable notice procedures.

Premiums and Early Termination

Qualified beneficiaries generally pay the full applicable cost of COBRA coverage, plus an administrative charge of up to 2% (102% total). During an eligible 11-month disability extension, premiums may be up to 150% of the applicable cost. The initial premium generally cannot be required earlier than 45 days after COBRA is elected; subsequent payments are subject to applicable due dates and grace periods described in the election materials.

Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace (Marketplace). This notice provides basic information to help you evaluate options for yourself and your family.

What is the Health Insurance Marketplace?

The Marketplace helps you find and compare private health insurance plans available in your area. Visit HealthCare.gov for information about available coverage and enrollment.

Can I save money on health insurance through the Marketplace?

You may qualify for a premium tax credit or other assistance depending on your household income, the cost and availability of employer-sponsored coverage, and other eligibility requirements. Assistance is generally unavailable if you are eligible for employer coverage that is affordable and provides minimum value.

Does employment-based health coverage affect eligibility for Marketplace savings?

Yes. For the 2027 plan year, employer-sponsored coverage is generally considered affordable for an employee if the employee's required contribution for the lowest-cost self-only plan providing minimum value does not exceed 10.22% of household income. For family members, affordability generally depends on the cost of the lowest-cost employer plan that covers the employee and the applicable family members. If the employer's offer is affordable and provides minimum value, the person generally cannot receive a Marketplace premium tax credit for the same period. Eligibility is determined separately for the employee and family members.

Minimum value generally means the plan covers at least 60% of expected allowed costs and provides substantial coverage for inpatient hospital and physician services. If you purchase Marketplace coverage, you may lose the employer contribution toward your employer-sponsored coverage, and that contribution may have favorable federal tax treatment.

How can I get more information?

Visit HealthCare.gov for coverage options, enrollment information, and Marketplace assistance. For questions about coverage offered by the City of Amarillo, review the City's applicable plan materials or contact the Human Resources Department at 806-378-4235 or **benefits@amarillo.gov**.

Other Notices

Newborns' and Mother's Health Protection Disclosure

Under federal law, group health plans and health insurance issuers generally may not restrict benefits for a hospital stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or newborn earlier than the applicable 48-hour or 96-hour period. Plans and issuers may not require the attending provider to obtain authorization for a hospital stay that does not exceed these periods.

Women's Health and Cancer Rights Act (WHCRA) Notice

The City of Amarillo group health plan provides benefits for mastectomy-related services as required by the Women's Health and Cancer Rights Act of 1998. For individuals receiving benefits in connection with a mastectomy, covered services include all stages of reconstruction of the breast on which the mastectomy was performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; prostheses; and treatment of physical complications of all stages of the mastectomy, including lymphedema.

These services are provided in a manner determined in consultation with the attending physician and the patient. Applicable deductibles, copayments, and coinsurance are consistent with those that apply to other medical and surgical benefits under the Plan. For more information about coverage and cost sharing, contact the City of Amarillo Human Resources Department at (806) 378-4235.

Notice of Special Enrollment Rights

If you decline enrollment in the City of Amarillo group health plan for yourself or your eligible dependents (including your spouse) because you have other health insurance or group health plan coverage, you may be able to enroll yourself and your eligible dependents if you or they later lose eligibility for that other coverage, including exhaustion of COBRA continuation coverage, or if the other employer stops contributing toward that coverage. You must request special enrollment within 31 calendar days after the other coverage ends or the employer contributions stop, as applicable.

If you acquire a new dependent through marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your eligible dependents. You must request special enrollment within 31 calendar days after the marriage, birth, adoption, or placement for adoption. Coverage following birth, adoption, or placement for adoption will be effective as of the date of the event when a timely and complete enrollment request is submitted. Coverage following marriage will be effective in accordance with applicable federal requirements and Plan provisions.

You and your eligible dependents may also qualify for a special enrollment period of 60 days in either of these circumstances:

- You or an eligible dependent loses Medicaid or Children's Health Insurance Program (CHIP) coverage because of a loss of eligibility.
- You or an eligible dependent becomes eligible for premium assistance under Medicaid or CHIP toward the cost of the City's group health plan coverage.

For loss of Medicaid or CHIP eligibility, request enrollment within 60 days after coverage ends. For newly available premium assistance, request enrollment within 60 days after the determination of eligibility for that assistance.

To exercise special enrollment rights, you must submit a timely enrollment request and any required supporting documentation to the City of Amarillo Human Resources Department. Contact Human Resources at (806) 378-4235 or benefits@amarillo.gov for instructions. Eligibility, effective dates, and coverage are subject to applicable federal law and the terms of the Plan.

This notice describes special enrollment rights under the City's group health plan; it does not replace the Plan's governing documents.

CHIP NOTICE

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –
